- Intellectual Property

BIOGRAPHY

Jason S. Marin is an intellectual property attorney with extensive experience in prosecution, portfolio management, and complex litigation. He has been practicing in the fields of trademarks, copyright, patents, trade secrets, and domain name disputes since 1999. During the course of his practice, Mr. Marin has prepared, prosecuted, monitored, enforced, and defended trademarks, copyrights and patents in a wide range of industries. His clients operate in fields that include software design, pharmaceuticals, biotech, medical devices, computer hardware, computer technology, food and apparel, media, hedge funds, transportation, convention services and more.

His experience includes litigation of trademark, counterfeiting, trade secrets, patent and IP related matters in U.S. District Courts, before the U.S. Patent and Trademark Office and before the International Trade Commission, as well as before ICANN for domain name disputes. Mr. Marin performs IP due diligence, counseling, and risk analysis for a variety of transactions, including mergers, acquisitions, licenses, transfers, divestures, and financing of IP intensive companies.

Mr. Marin is experienced in negotiating and drafting intellectual property related agreements, including financing, licensing, assignment, transfer of rights, software development, and linking, service, and acquisition agreements. He also regularly prepares freedom to operate, infringement, due diligence, and patent ability opinions.
