

Employment

Nothing has the potential to derail your operations, tarnish your reputation and tank the goodwill you've built up with your employees, customers, and community faster than a salacious and headline-grabbing employment-related lawsuit.

The MWH Approach

We understand many employment litigation matters are emotionally charged, which may tempt you do whatever you need to make the situation go away as quickly as possible, even if it's not in your best interests. That's why we immediately get to work investigating the matter. We give you an early case assessment that clearly outlines the strengths and weaknesses of your case. Afterward, we regularly communicate with you to develop a case strategy to achieve the best possible outcome. We listen to your goals and are creative in our approach to meet your needs in the most cost-effective way.

Clients appreciate our "work ahead" method which allows us to deliver work product on time or in advance of court deadlines. In addition, the way we staff our projects ensures you have the best mix of attorneys and staff to address the issue at hand. You will promptly receive the answers you seek and the accountability you deserve from your legal team.

"Having represented hundreds of employers over the years, we have learned that developing a rapport with rank and file employees is critical not only to assessing the strengths and weaknesses of an employer's defense but also in presenting the case at trial.

When the matter involves claims of race, national origin, age or disability discrimination or harassment, Julie notes, "I partner with my colleagues and staff

throughout the firm to ensure we're evaluating the claim from all possible perspectives."
